

THE INTERGROUP CORPORATION
AUDIT COMMITTEE CHARTER
(As Amended on January 13, 2011)

Purpose:

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its responsibility of overseeing management's conduct of the Company's financial reporting process, the Company's systems of internal accounting and financial controls, and the annual independent audit of the Company's financial statements.

In discharging its oversight role, the Committee is empowered to investigate any matter brought to its attention and shall have full access to all books, records, facilities and personnel of the Company and the power to retain outside counsel, auditors or other experts for this purpose. The Board and the Committee are in place to represent the Company's shareholders, and the Company's independent registered public accounting firm is ultimately accountable to the Board and the Committee as such representatives of shareholders. It is the responsibility of the Committee to maintain free and open means of communication between the Board, the independent registered public accounting firm and the financial management and internal auditors of the Company.

The Committee shall review the adequacy of this Charter on an annual basis.

Membership:

The Committee shall be comprised of at least three (3) "independent" directors that meet the composition requirements as defined by the rules of the Securities and Exchange Commission ("SEC") and The NASDAQ Stock Market LLC ("NASDAQ") as may be modified and supplemented from time to time. Accordingly, all of the members of the Committee will be directors:

1. Who have no relationship to the Company that may interfere with the exercise of their independence from management and the Company;
2. Are not affiliates of the Company;
3. Do not receive any compensation from the Company other than in the capacity as director; and
4. Who are financially literate or who become financially literate within a reasonable period of time after appointment to the Committee.

In addition, at least one member of the Committee will qualify as an audit committee financial expert as defined by the Securities and Exchange Commission.

The members of the Committee shall be elected by the Board at the annual meeting of the Board and shall serve until their successors shall be duly elected and qualified. Unless a Chairman of the Committee is elected by the full Board, the members of the Committee may designate a Chairman of the Committee by majority vote of the full Committee Membership.

Meetings:

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. A majority of the members of the Committee shall constitute a quorum for the transaction of business. Minutes of each meeting of the Committee should be recorded by the Secretary to the Committee. Approval by a majority of the members present at a meeting at which a quorum is present shall constitute approval by the Committee. The Committee may also act by unanimous written consent without a meeting. As part of its job to foster open communication, the Committee should meet at least annually with management and the Company's independent registered public

accounting firm in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chairman should meet with the Company's independent registered public accounting firm and management quarterly to review the Company's financials consistent with #2 below. The Committee may request any officer or employee of the Company or the Company's outside counsel or the Company's independent registered public accounting firm to attend a meeting of the Committee or to meet with any members of, or consultants to, the Committee.
